Hi Hamid,

Thank you for the Phase I checklist. I'm attaching our current **About Us and Statement of Faith** document. It includes VTI's introduction, mission, vision, objectives, and faith statement. Also one more document that help you in defining the website pages.

The logo appears in the document, and Robin Sarfraz will send a separate logo file in whatsapp. Our Slogan is **Bible Education for Everyone, Everywhere**. Since we are still working on gathering information for each team member. Please develop all necessary pages and put dummy information there. Once you go through the documents you may be have more questions. We are happy to answer all. Feel free to ask.

Blessings
Junaid Javed
